1. When was National Insurance Academy established?

National Insurance Academy (NIA) was established in the year 1980 by public sector insurance companies under the aegis of Ministry of Finance, Government of India. NIA has now become the Apex Institution for research, training, consultancy, leadership development and publication in Insurance and Risk Management in the Asia, Africa and Middle East Region.

2. How is the PGDM Program at National Insurance Academy?

The PGDM Program approved by AICTE, is 2 years full time residential program with special focus on Insurance and Management. The curriculum has been designed in consultation with the management experts in the Insurance Industry, consultants and employers which ensure an up-to-date need based curriculum. The course covers a wide range of management subjects and key functional areas in Life Insurance, General Insurance, Health Insurance, Pension & Group Insurance and Actuarial Science.

3. How different is the NIA's PGDM Program from other similar programs?

This program has been designed to develop managerial excellence based on technical competence, proactive knowledge seeking ability, creative problem-solving approach and visionary approaches that emphasizes on social upliftment through individual endeavors. The curriculum has been designed in a manner where equal importance is given to class room learning and self-audit through a series of case/project based learning assignments, practical learning through insurance laboratories inside the campus, active participations in Curricular and Para-curricular activities, involvement in day-to-day organizational practices, intensive involvement in off-campus research projects and exposure to unstructured problems with a view to enabling the students to manage the real life situations efficiently.

4. How to apply?

Candidates can apply online from NIA website.

<https://www.pgdm.niapune.org.in/admissions/admission-procedure>

5. What is the application fee?

The application fee for the 2 year NIA PGDM program is Rs.1500/-

6. What are the documents required while applying online?

Scanned copy of the applicant's recent, sharp passport size photograph to be uploaded on the application form.

The hard copy/printout of the filled application form need not be sent to NIA.

7. Where the GD & PI shall be conducted?

The GD & PI shall be conducted at NIA Campus, Pune. However, NIA would conduct the GD & PI in Delhi, Hyderabad, Bengaluru and other major cities in the event of receiving large number of applications from such locations and/or from nearby locations.

8. What is the last date to apply?

The last date to apply for the 2021-2023 program is 15th March 2021.

9. What test scores would be considered?

NIA considers the scores of CAT-2020 and/or CMAT-2021

10. What would be the number of candidates that would be selected to the PGDM batch 2021-2023?

The final batch size for 2021-2023 is expected to be 120.

11. Does the Academy have “management quota”?

There is no management quota for admission to PGDM at NIA.

12. What is the selection criteria for PGDM at NIA?

The Selection process shall be based on:

Past academic record (10th, 12th & Graduation)

Performance in CAT 2020 / CMAT 2021

Performance in GD and PI (PI comprises WAT)

13. Does NIA offer any correspondence course?

NIA does not offer correspondence course for the 2 year PGDM Program.
