PGDM SUMMER PLACEMENTS 2019-21

*In it,
to
Win it!*

“In it, to win it”

Knowledge is empowerment and NIA aims at imbuing in its students, sound industry knowledge, technical competence and inculcate a sense of responsibility towards society. Insurance Industry is now in a revolutionary phase where new reforms are being introduced. The challenges, opportunities and the exposure that the industry is offering is highly engaging and capturing the younger generation's attention. Innovative products, distribution channels and a pool of skilled minds are sustaining the growth of the insurance sector. In a country like ours where population is humongous and the insurance penetration is extremely low, inclusion of more and more of talented and skilled youngsters will help the sector to further strengthen its grip on the Indian economy.

Multiple parameters like, artificial intelligence, digitisation of the industry, opening of the sector, climatic changes and a strong untapped percentage of population are impacting and contributing towards the changes of the industry. This dynamism needs to be understood and lead by individuals who can come together for the betterment of the insurance industry.

NIA, being the ground where all these are worked out on, it is the right place to find the best of brains capable to engulf these parameters and promise that they are 'In it, to win it'.

Arise, awake and stop not until the goal is achieved

- Swami Vivekananda

About NIA

With its rich ambience and vibrant culture, National Insurance Academy is the perfect place to nurture young minds for a better understanding of the corporate world. Aspiration of the youth are given flight by the seasoned faculty who have set up benchmarks through their vital contributions to the industry. By imparting quality education, NIA is developing future leaders out of every individual who will be implementing the science and art of Risk Management through insurance into a new era. NIA provides proactive education to its students through varied methods like learning inside and outside the classrooms, workshops, case development etc.

National Insurance Academy was established in the year 1980 by the Public Sector Insurance Companies namely: Life Insurance Corporation of India, General Insurance Corporation of India Ltd, The New India Assurance Co. Ltd, National Insurance Co. Ltd, The Oriental Insurance Co. Ltd. and United India Insurance Co. Ltd., with the support of Ministry of Finance, Government of India. It has been running Management Development Programmes for past 36 years and ventured into two year full time Academic Programme in Management in 2004.

NIA has close ties with Indian Insurance Companies, Institute of Actuaries of India, Savitribai Phule Pune University, Federation of Afro - Asian Insurer and Reinsurer (FAIR), Institute for Global Insurance Education (IGIE) and regulatory bodies like Insurance Regulatory and Development Authority of India (IRDAI).

NIA promotes, develops and fosters research and consultancy activities on institutional and individual basis and has in-house publications like Bima Quest and Pravartak.

NIA provides a unique blend of specialization in Insurance and other relevant functional areas of Management like Finance, Marketing, HR and IT to the PGDM students.

Vision

National Insurance Academy to be a global institution of excellence in learning and research in Insurance, Pension and allied areas.

Mission

- To build capacities in the management of Insurance, Pension and allied sectors.
- To create a stream of young talent for the Insurance, Pension and allied sectors.
- To provide strategic approaches in the Management of Insurance, Pension and allied sectors.
- To undertake and create an ambience for policy research in Insurance, Pension and allied sectors.
- To promote learning : education and training in Insurance, Pension and allied Sectors.

National Insurance Academy

From the
Director's Desk

Dear Recruiters,

National Insurance Academy is the apex institution in the field of Insurance. Ever since the inception of two-year Post Graduate Diploma in Management programme in 2004, the academy has contributed to the Insurance Industry with highly skilled professionals.

The revision in curriculum has given the already unique P.G.D.M curriculum a new flare. The new P.G.D.M curriculum is designed to give students deep knowledge on insurance and management. The students will emerge as competent professionals who will satisfy the rapidly changing needs of the industry.

The exceptional facilities pairing with a remarkable faculty help the students in getting technically sound with the insurance sector while also improving and honing their managerial skills. The course structure provides an effective mix of core insurance areas like Life Insurance, General Insurance, Reinsurance and Core Management areas like Marketing, Strategic Management, Financial Management among others which helps the students to be well equipped to deal with any insurance and management problems on completion of the two-year course.

It is with great pleasure I invite you to the National Insurance Academy for Summer Placement Programme for the batch 2019-2021. I am hoping that it will be a mutually enriching experience for us and we look forward to continued association with you.

Regards,
G. Srinivasan

From the
**Placement Chair
Person's** Desk

Dear HR Executive

The National Insurance Academy is an academic institution of repute, dedicated to the development of managerial and professional skills. We also offer a Post Graduate Diploma in Management (PGDM) to young graduates. This is a two year course which develops professional skills and managerial competencies in the young minds that are selected after an assiduous process.

As part of their education, the first year students of PGDM undergo internship programmes with reputed companies in the insurance and technology sectors. This is a very valuable input for the students, for during such internships they learn how theories work in practice. They see operations real-time and it helps them understand better the conceptual foundations and their applications.

I request you to help us in developing these budding managers by providing them an opportunity to work with your company as an intern. I am sure the young minds will be enriched by the experience.

With regards,
Segar Sampathkumar

From the
Principal's Desk

Dear Recruiter,

In the world full of uncertainties, insurance plays a major role in providing protection from financial loss and bringing stability to the society. At National Insurance Academy, we try to accomplish the goal of maintaining economic balance by preparing and nurturing future executives in order to bring a positive change to the insurance industry.

The objective of this institution is to create a stream of young talent for the insurance and allied sectors and to impart managerial skills and develop strategic approaches for the same. To bring the best out of the students, in-house faculty and guest lecturers together provide a practical learning and unique training methods which lead to enhancing the innovativeness and creativity that is helpful in corporate world. Apart from theoretical way of learning, the close relation of the academy with the industry experts is an added advantage to the edifying system.

The P.G.D.M program at National Insurance Academy is unique in itself, as it brings students from diverse academic background which increases peer to peer learning and makes them more flexible and adaptable. The blend of insurance and management subjects gives them an edge over the others and multiple opportunities to perform to the best of their capabilities.

I cordially invite you for the Summer Internship Programme for the batch of 2019-2021. I take great pride in boasting that you will find the talent you come looking for.

Warm regards,
Dr. Sanjay Mali

Faculty

The Management Subjects are taught by highly qualified, experienced faculty with most of them having a Ph.D in the relevant discipline. The General Insurance subjects like Fire, Marine, Engineering, Aviation, Life Insurance subjects including some portion of Actuarial Science, Pension and Reinsurance are taught by faculty who hold senior positions in the public sector in the insurance companies and are on deputation.

PGDM Programme

The two year full time Post Graduate Diploma in Management (PGDM) with specialization in Insurance, is a blend of technical competence in insurance with a sound understanding of the principles of management and the contexts in which these are practiced and a creative problem solving approach to meet the growing needs of today's business world.

Selection Process

The process of selection of students begins with the shortlisting on the basis of scores of either CAT (Common Admission Test) or CMAT (Common Management Admission Test). The shortlisted students then qualify for the group discussions and personal interviews. Each student has to complete six trimesters of extensive academic work along with eight weeks of Summer Internship Program, a dissertation and participation in various workshops to qualify for the diploma.

Faculty

NIA's multi-disciplinary faculty is drawn from the cream of academia as well as the industry. Our visiting faculty includes people holding significant positions in the industry. This wealth of experience and inputs on the current market scenario help our students keep pace with the highly dynamic corporate environment. Academic excellence is achieved through innovations in teaching methods and effective delivery. Apart from classroom learning, great importance is placed on panel discussions, guest lectures, and continuous interactions with other students and industry professionals.

Culture

NIA, being a national institute showcases a multifaceted culture. The identity of this hallmark is not to walk on the trodden path but to make a new path of its own. It aims to be the benchmark, instead of benchmarking and to be the first to respond to the changes and needs of the hour that nobody would have taken up for the betterment of the nation. The core belief is the holistic development of every individual and fulfilling the ideology of 'together we grow'. Its environment evokes the image of a 'Gurukul' with modern amenities.

Added Course Benefit

NIA Students fulfilling the prescribed requirements are eligible to claim course wise exemption from the Insurance Institute of India papers up to 220 credit points and become Associates and Fellows of Insurance Institute of India.

Summer Internship Programme

Each student must complete eight weeks of Summer Internship to be eligible for the diploma. Students are placed in reputed companies in various verticals of the industry. This gives them a first-hand experience of the functioning of the industry. It also helps them in learning the concepts better as it is easily relatable after they have experienced it themselves. This program prepares them for their final placements in the industry.

Alumni Speak

NIA wasn't just a campus where we completed our Masters in Insurance. It was a platform equipped with a slingshot for our entry into the insurance fraternity. The curriculum, faculty, campus and infrastructure enabled us graduates to mature into young professionals whom NIA gifted to the industry. We the alumnus are proud of the academy, as the insurance industry recognizes the NIA brand for technical acumen we bring forth in our respective profiles and to the organization.

Arun Veetil

(Batch: 2009-11)

Senior Manager

Marsh India Insurance Brokers Pvt. Ltd.

The knowledge I gained from NIA and the way it helped me form alumni network has shaped my career to a great degree. It was always helpful to join a new organization and find some familiar faces. Here students are taught various good perspectives in order to nurture them into experienced ones. Various workshops on how to experience interviews and such stuffs are provided to the students so that they can face any situation without any fear.

Manish Singh

(Batch: 2005 -07)

Chief Manager- Property and Energy

TATAAIG General Insurance Co. Ltd.

NIA has been the foundation of my insurance career. It is here that I not only gained insurance subject knowledge but also developed various management skills which helped me grow in my career. The college provided industry exposure with opportunity to interact with stalwarts. The campus is great for all round development.

Priyanka Gautama

(Batch: 2005-07)

Vice President, Underwriting- Liability Lines
HDFC Ergo General Insurance Company Ltd.

Corporate Interactions & Seminars

Interaction with Mr. Nishant Sinha,
Strategy Specialist, Strategic Initiatives
on Educational Competition 'Re-imagine'
Swiss Re Global Business Solutions India Pvt. Ltd.

Interaction with Head of Communications
Mr. Aman Dhall
Policy Bazaar

Interaction with Former CEO,
Mr. Praveen Gupta (Center)
Raheja QBE

Manthan with the theme “Karvaan” was a two day event (16th–17th February, 2019) organized by the students of NIA. Students from colleges all over the country participated in 22 cultural and management events and competitions.

Committees

Pravartak Committee

Pravartak - The Magazine of National Insurance Academy is a "Student's Initiative". It is a referred biannual publication with an objective to provide a platform to practicing managers, researchers, students and professionals in the field of insurance & management to share their knowledge, thoughts and experiences on a variety of issues concerning the insurance industry.

Students Welfare Committee

The committee encourages learning environment for students through academic and non-academic activities. The committee also provides a platform to discuss the non-academic challenges faced by the students.

Academic Committee

The committee has responsibility of enriching students' wisdom of insurance sector through various activities like debate, quiz etc. Committee has additional responsibility to maintain efficient communication between faculty and students.

Alumni Committee

The success story of an institution is the present actions of its Alumni students. The Alumni committee plays the role of a connector between the Alumni students and their former ALMA MATER.

Cultural Committee

NIA is also known for its festivities and celebrations of Independence Day, Republic Day, Ganesh Chaturthi, Navratri, Saraswati Pooja, Janmashtami, New Year Eve, Play on Quit India Day, Holi and Christmas celebrations among others-signifying 'Unity in Diversity' -which not only gives students a homely environment but also brings students from different cultural backgrounds together to celebrate all the festivals.

Committees

Manthan Committee

"The Management Fest" is a techno-management, cultural and sports fest organized and managed by the PGDM students where students from engineering and management colleges from all over India are invited to participate in various events like, Business Plan, Campaign design for insurance, Manager of the Year, Debate, Treasure Hunt, Dance, Singing etc.

Sports Committee

NIA's multipurpose sports complex has facilities for tennis, badminton, swimming, basketball, billiards and a state-of the art gymnasium. Every year the committee organizes a Sports week wherein tournaments are held in badminton, throwball, Football, Volleyball, Swimming, Table Tennis, Chess, Pool, Cricket, Carom etc.

IT Committee

This one of the core committees which involves in all the events at NIA taking care of all the technical expertise which are required for successful completion of an event.

Library Committee

The committee not only looks after the availability of books for the students but also maintain one of the best Insurance Liabrary.

Admission Committee

The committee is responsible for search young and bright buds whose career will be nurtured through one of the premier institutes of insurance industry so that they can contribute towards the betterment of the industry.

Placement Committee

The entire placement activity is coordinated by the Placement Office, which is the main interface between the corporate world and the Academy. The Placement Office is headed by the Placement Chairperson (Chair Professor nominated by the Director) who is assisted by the Placement Officer for coordinating various activities. All placements related activities at NIA are coordinated by the Placement Office. Placement Office discharges its responsibilities under the guidance and supervision of Faculty Placement Committee and with the assistance of Student Placement Committee. The committee coordinates the Summer Internship & Campus recruitment programs. It approaches prospective employers, arranges Pre-Placement Talks, Group Discussions and Personal Interviews on Campus. It organizes all the resources required for successful execution of placement activities.

BUILDING CAMPUS PRESENCE

The recruitment process is said to be complete when both the student and the recruiter communicate, in order to know each other. NIA offers appropriate platform to the recruiters to put forward opportunities to apprise our student's corporate work profile and career opportunities.

The following are some of our recommendations-

CONFERENCE AND WORKSHOPS

Conferences, workshops, guest lectures, panel discussions and speaker series have proved to be an enriching experience for academic interactions between the students and recruiters. These programmes have also helped the organisations to maintain contacts with the students round the year.

PRE-PLACEMENT TALKS

Pre - Placement Talks facilitate the recruiters to present their organization's vision and mission to our students. Therefore giving the students a chance to better understand the organization, its objectives, people and culture. Further helping the students in forming correct first hand impressions that would enable informed decisions.

With regards to the summer placements, it is important for the students to understand the type of projects offered, so as to align their interests and motivations with the organization's outlook. These talks have proved to be the best platform for you to present to our students, the career advancement and the personal growth opportunities provided.

These sessions can be arranged through mutual convenience and specific Pre-Placement Talks can be organized through the Placement Office.

RECRUITERS' GUIDELINES

Recruiters' Guidelines for Final Placement

- This brochure serves as a source of brief information about the candidates. Hence, resumes of each candidate will be provided to the recruiters as and when demanded.
- Recruiters are expected to confirm the participation by a written intimation along with the details of profiles offered to the placement officer through e-mail.
- Recruiters are required to provide a written confirmation of the selected candidates to the Placement Coordinator / Placement Officer along with the relevant details of Monthly stipend and location for the student.
- The placement activity and entire process works within the purview of the academy's placement guidelines which are provided to the recruiters before hand.
- We recommend companies to conduct Pre-Placement talks on the campus.
